WORDS OF TRANSFORMATION

A Quarterly Newsletter of Transforming Leaders in Asia Educational Trust for Private Circulation only Volume 18, Issue 2 Serving since 2012 JUNE |2020

Dear Friends,

Probably, we are all wondering, "How long O Lord?" The Covid19 crisis seems to be worsening everyday. We are tired and often confused. Sometime we are perplexed about necessity of a complete lockdown. Whether there could be a precise surgical lockdown then a complete one. Welcome to a new world of lockdown.

We need a direct intervention of God more than ever before. Our ears are longing to hear some good news in this time of uncertainty. Let us together pray earnestly for a sign of hope.

Although there should not have been much to report from this lockdown period; however, I am glad to inform you that the work never stopped completely. It slowed down, but it has been progressing. As a matter of fact, I found myself busier than before. I have had a series of Zoom meetings and writing assignments. We also had several staff meetings done more fruitfully than before. Without travel, without hiring a conference room, or arranging meals, the Zoom meetings helped us to achieve much more. We learnt a new method of ministry.

Thanks to you all for your consistent support and prayers. May the good Lord be with you during this time of Crisis. Blessings in Jesus.

– Rev. Dr. A. K. Lama.
