

TRANSFORMING LEADERS IN ASIA

A brief highlight of the year 2012

As we look back into the year 2012, we are just humbled by the fact that the Lord has blessed TLA ministries to be blessings of God to others. Like past years, we began the year with an objective to touch the lives of pastors and lay leaders so as to transform our region. With the help of TLA, following events were sponsored in 2012:

- Pastors Conference for CBCNEI, Guwahati (March 12-15) – 59 participants
- Pastors and lay leaders training program for SABA, Pasighat (Sept 13-15) – 450 participants
- Leaders Training Program for ABCC, Guwahati (Sept 27-29) – 35 participants
- Training on Discipleship and Preaching, Imphal (Sept 27-29) – 50 participants
- Training for the Pastors of MBK, Kulajan (Nov 3-4) – 150 participants
- Spiritual Renewal Conference, Guwahati (Nov 7-10) – 39 participants
- Seminar on Expository Preaching and Biblical Counselling, Guwahati (Nov 12-16) – 59 participants

In a separate program, 10 bicycles and 4 motorbikes were distributed to help the native leaders serve the Churches and community more effectively. On three different occasions 100 volumes of reference books, Bibles, and other helpful books were distributed to individuals and for a School Library.

Besides above mentioned programs, TLA enabled AK to actively minister in nine Conferences, four Consultations, and seven meetings. Of these, four were very significant as AK could minister in the World Mission Conference, Wisconsin (May 18-25), preached and led a seminar in Asia Theological Association Conference, Malaysia (June 18-21), led a seminar in the Baptist World Alliance Congress, Santiago (July 4-7), and preached in Asia Pacific Baptist Federation Congress, Kuala Lumpur (Sept 4-8). These events enabled AK to influence a larger sphere of audience.

AK is presently leading as the General Secretary of the Council of Baptist Churches in Northeast India. This Council is a large federation of 7000 Churches, six hospitals, eight seminaries, five Christian Literature Centres, three Hostels and several departments that exist for empowering the churches and Christian community to serve the region. With the help of TLA's partnership with this Council, AK has been able to impact a significant transformation among the leadership in the region.

We are grateful to God for the good health, the wellbeing of our family, and the faithful support of TLA prayer partners.

The best is yet to come. Please uphold the work for 2013 in your prayers.

AK and Asangla
