

Transforming Leaders in Asia

January 2010

Dear Prayer Partners

With grateful heart, I write this to share with you the things that the Lord has enabled us to achieve through your partnership.

[Achievements in 2009](#)

The year 2009 began with the immense responsibility of reviving six dying mission hospitals, a precious heritage left by the American missionaries, under the Council of Baptist Churches in Northeast India. It took away much of AK's time and energy. But we are grateful to God for the opportunities and the success so far. In April, AK was installed as the General Secretary of CBCNEI, a council of 7000 Baptist Churches, one of the largest Baptist Umbrella in whole of Asia, which opens the door of opportunities to connect with and influence numerous leaders in our region.

The year 2009 has been one of the busiest and the most fruitful years for us. This year, we were able to minister in **17 major events**, touching the lives of **3128 individuals**. Of these we hosted 5 programs, and the rest were hosted by Churches, Associations, Conventions, and other para-church organizations. Some of the major events where the Lord used us are listed on the next page.

Furthermore, AK had the opportunity to preach in several Churches. We are glad that we could give six Motorbikes to six Christian workers from the remote rural areas. So far, TLA has given 32 motorbikes with the help of [the Upton Brothers](#). We have distributed about 100 copies of Bibles and several hundred copies of other useful books to Christian workers.

We continue to strive in empowering, encouraging, and equipping the native Christian workers to impact Churches for its mission in Asia. The best is yet to come in the years ahead. For more details and to see pictures, please visit our web page: www.tlaministries.org also www.cbcnei.com.

Thank you very much for your partnership. We value your prayers and support which comes to us as an affirmation from God in our work. May the good Lord bless you in return richly.

Sincerely yours in Jesus

AK, Asangla, Sonam, Neema, and Joshua
