Dear friend,

Most intellectuals would readily accept Jesus Christ as a spiritual Superman, rather than the Creator God. However, biblical evidence proves both. According to the prophecy of Isaiah (700 BC), Jesus Christ is not only born (Heb: *yalad*) but also given (Heb: *natan*). He came to become the Wonderful Counselor, the mighty God, the everlasting Father, and the Prince of Peace (Isa 9:6). He was 100% Superman and 100% Supreme God.

In the first century, John the disciple described Jesus as the one who was with God and was God. Jesus was the Creator who created everything (Jn 1:1-3). In and through Jesus Christ, the Holy God made his dwelling among sinful humanity (Jn 1:14). He became *Immanuel* (God with us). Jesus often identified himself as the Son of God and as the Son of Man (Jn 5:25-27). He is the only who died on the Cross and rose again on the third day as He promised (Lk 9:22; 24:7-8). Hence, Jesus is more than a morally upright human being.

A denial of biblical evidence is denial of the millions of saints whose life has been transformed by Jesus Christ and who lived a life of selfless love and sacrifice in the past two centuries. Recognizing Jesus in His true essence opens the door of faith — faith that comes from God through hearing of the Word of God and the faith that moves the mountain. May our faith remains established on this biblical truth.

Merry Christmas & Happy New Year 2023.
